

FRANK STEINDORF SCHOOL TO OPEN ON MARCH 15

The new Frank Steindorf school in the Cambrian district which is scheduled to open March 15, will have a student capacity of 375 in the completed wings, with accommodations for a 600 enrollment when the master plan is completed. The new school will service the Hacienda Gardens and Cambrian Park areas and relieve the Cambrian school of double sessions now necessary to accommodate the 1311 presently enrolled.

The partially completed school will consist of ten class rooms, a multi-use room and kitchen. Future additions will include another classroom wing, administration and kindergarten wing, and a kindergarten play area.

Because of the rapidly growing residential communities in the Cambrian district a third school, located on Custer and Harris, is scheduled to break ground sometime around the middle of March. This new school, as yet unnamed, will accommodate students through the sixth grade, as will the Steindorf School. When completed this school will be bounded on the two remaining sides by Leigh Avenue and Curtner Road which are to be extended in the near future.

BIG PAPER DRIVE NOW UNDER WAY AT HIGH SCHOOL

Students at Campbell High School are busy this week with the annual paper drive in which they expect to gather 100 tons of paper to be sold for funds which will defray expenses of the Student Body for the rest of the school year.

Gary Lukehart is chairman of the drive. He that from the sale of 100 tons of paper the Council will be able to go ahead with plans for seven Student Body dances, the school carnival, the year book, the spring concert, sports events and expenses of all commissions.

Anyone needing transportation for magazines or paper in quantities may contact the school at FR 8-3481. However if possible, it should be taken to the Agricultural building from 7:30 to 9:00 and 2:35 to 5.

Saratoga Chamber For Incorporation

By an 8 to 1 vote the Saratoga Chamber of Commerce went on record Monday night in favor of incorporation. No specific area was outlined for incorporation but Charles Hunter, president, said it might be based on the report of the Coro foundation with maximum limits embracing the Saratoga fire district north to Cox avenue to the Quito subdivision, east to the Quito road and south east to the Glen A. district.

A citizens committee is now being set up to back the move for incorporation.

Los Gatos Studies Annex Planning

At a meeting of the County planners with Los Gatos town planners Monday night at San Jose, Karl Belser, county planning consultant said the Los Gatos area should be developed as a homogenous unit so that private property will not sustain an injustice.

Belser said the following factors should be considered:

1. The development along Route 5 freeway as it pursues its course along the Los Gatos creek bottom land, and the changed concept of zoning that will take place when the present arteries of Highway 17 and Los Gatos-Santa Clara road become subsidiaries to the freeway.
2. The future of the Southern Pacific branch into Los Gatos, and whether the terminal might not some day be moved out to Vasona Junction.
3. The matter of designating "service area" zones, for light industry and heavy commercial use, so they can be of value to the community and not take land better suited to other uses.

Town Planning Consultant Nestor Barrett noted that the zoning problem is a situation where the political boundary of the city has no relation to the planning of the area. Los Gatos, he explained is the "urban core" of a big city.

The use of chili powder has been traced back to the Aztecs and is still the most widely used seasoning in Mexico.

MAN SLASHES STOMACH IN QUARREL

Harold R. Hicks, 27, of 28 E. Rincon, slashed himself in the stomach with a skinning knife yesterday afternoon at his home as the climax to a family quarrel. He was taken by ambulance to County Hospital where he underwent surgery. Hospital attendants late last night said his condition is serious.

Police Chief Locke, who investigated the knifing, has released this statement: "Mrs. Hicks stated her husband said he had two knives to kill with; one for her and that when he had finished with her, he had one for himself. She then ran out of the house."

Police were called to the Hicks home by neighbors who heard Hicks' wife, Ione, 39, screaming "Get the law, get the law". According to one witness, Joe Romano, Mrs. Hicks and her mother Mrs. Redmond, ran out of the house screaming. A few minutes later Hicks followed and tried to pull his wife back into the house while her mother begged him to let her go. The couple re-entered the house and it was then that neighbors heard her screams for help and called the police.

'Stolen' Car Was Just Forgotten

E. C. Merrill, our city treasurer, is known in Campbell for his fondness for walking, and thereby hangs a tale.

Monday morning Merrill presented himself at the Police station to report his car had been stolen. He had had an occasion to take Mrs. Merrill into town and so had gone to the garage to back out the family car and had found, much to his astonishment upon opening the doors, an empty garage. Dorothy Trevelan, city clerk, laughingly informed him his car was parked just where he had left it the previous Friday, in front of the Congregational Church.

After due consideration, Merrill remembered he had driven his car to the City Hall Friday to pick up some money for deposit after which he had sauntered over to the bank, made the deposit, met a few friends and then walked home, forgetting his transportation.

During the time he parked his car and until Monday morning he had not had occasion to use it until his wife wanted to go into town, so he had not missed it. The odd thing about all this is that Sunday he had walked to and from church in the rain, passing his parked car twice without noticing it.

CENTRAL FIRE DISTRICT HEARING DATE JANUARY 28

On request of County Counsel, the hearing of the reply from the Central Fire District, County of Santa Clara and other respondents, has been continued until Friday, January 28 on consent of the City of Campbell and Joseph Bonacina, city attorney.

The hearing had been set for tomorrow. It involves a petition for writ of mandate filed in the Superior court by the City of Campbell seeking an apportionment of moneys from the Central Fire District of assets at the time Campbell was incorporated on June 30, 1952, and of taxes allegedly collected by the County of Santa Clara between March 28 and June 30, 1952 on city lands.

The writ was drawn by Bonacina to compel the respondents to reply to the allegations. The case is to be heard before Superior Judge M. G. Del Mutolo.

BURGLARS STILL BUSY HERE

Police are investigating a burglary which occurred last Friday night in a cabin next to Court's Tavern on the San Jose-Los Gatos road. A cabin occupied by Stanley Howard was entered and a 38 Iver Johnson pistol stolen.

A window at the Hamilton School was also broken Friday night and the school entered but not damaged. Police consider it the work of kids.

THREE CAMPBELL BASKETBALL TEAMS WON ON TUESDAY

The Campbell Bucs romped home with a 60-33 victory over San Jose Tech in a practice game on the Tech courts. Tony Schraub had 15 points for Campbell.

The Campbell-B team also won, 53-31 as Roger Ahlmquist scored 19 points.

At Campbell in the meantime, the Junior Varsity defeated Fremont Jayvees 49-21 as Vince Potern scored nine points.

C of C To Talk Industry At Luncheon Meeting

Directors of the Campbell Chamber of Commerce voted Tuesday night to make the children's Christmas parade an annual event with a preference toward having it in the evening, the Saturday before Christmas. Police Chief Robert Locke reported that 600 or more children participated in the parade headed by Santa Claus on the fire truck and congregating at the Grammar School grounds on December 18. Sam Cava, president of the Chamber said he felt that a bigger turnout would be realized if the affair is staged at night.

Preliminary plans were being made for Old Settlers Day celebration with a committee from the

various service clubs and civic organizations to have representation on the general committee. A function of the committee will be to set a date for the 1955 annual event.

By popular request the directors are exploring the possibility of having another band concert.

A luncheon meeting sponsored by the Chamber of Commerce is to be held at noon next Wednesday when Russell Pettit, manager of the San Jose Chamber of Commerce and Sandy Webber, industrial manager for the same organization, will talk on industry and how San Jose will cooperate with Campbell in securing industry.

Cambrian Park Has Orchestra And Band

A school band and orchestra made its initial appearance Wednesday at Cambrian Home and School Club meeting, with Judy Sayer as mistress of ceremonies introducing the band in four numbers, Clipper Ship U. S. A., Little Brown Jug, Emerald Waltz and Air Brigade March.

This portion of the program was followed by a piano duet by Karen Brandon and Karen Doolittle. Mike Adams played a trombone solo "O My Papa". Then Wallis Wardell presented a violin solo accompanied by Rosemary Napier. This portion of the program was concluded with a presentation of Moonlight Sonata with Linda Blair at the piano.

The orchestra was then introduced and they presented the Flamingo Overture, Mayflower Waltz, Activity March and the Holiday Waltz.

Those participating were Marilyn Gibbs, Stephen Belser, Tom Margrave, Ronnie Lampreda, Karen Brandon, Eric White, Mary Ann Ross, Bob Ross, Stanley Asabey, Ken Kitzmiller, Bill Warren, Ray Lyckak, Jim Kiechmer, Brenda Knowlton, Bill Hiland, Wick Kennedy, Christine Richert, Nancy Carrington, Linda Edgmon, Wallis Wardell, Larry Thornburg, Mike Adams, Gerry Belser, Larry Keel, Jon Youmans, Hank

Anthony Rapisarda is the head of the music department.

The business meeting was conducted by the president Mrs. Edgar Banks. The Bazaar report was made by Mrs. Harry Gerin, who announced the net profit of \$820.00. The entire net profit is being spent to equip the Steindorf school with encyclopedias, dictionaries, atlases, screens for movies, projector stands, and other much needed items to get them ready to open on March 1.

There were also plans to purchase a new remedial reading machine and a public address system for the Cambrian School.

Refreshments were served by the kindergarten mothers who hostesses for the evening.

County Planners To Study Union School Problem

The County Planning Commission is scheduled to act next Wednesday on the request of Union Elementary School District to approve a site for an elementary school at Carleton avenue and Elester Drive in the Cambrian Park area. The planners are combining their report with the Cambrian Elementary School district study begun December 1, 1954.

Union school district board has resolved to initiate condemnation proceedings on the proposed site because they could not reach an agreement with the subdivider who owns the 9 1/2 acre site.

Superintendent Kenneth McDonnell said the subdivider Claude Lindsay is indifferent toward settlement of the suit.

The board's decision now will be turned over to County Counsel Howard Campen for further action.

The court will have to decide, McDonnell declared, what price the district will pay for the site. Trustees offered Lindsay \$3,100 an acre, but the subdivider hiked the price to \$9,000 an acre because, he said, of the added costs of off-site development.

Off-site developments include installation of sewers, gutters, pavement, water mains and sidewalks.

Lindsay plans construction of a 218-home subdivision on a 58-acre area between Wyrick and Camden avenues. The proposed school site is located at the east end of Nelson avenue.

FIREMEN HOLD DRILL

Firemen held a fire drill Sunday morning in front of the Campbell High School to pressure check all hoses on Engine No. 1.

Good Opportunity In Foreign Service Says Speaker Here

That there are opportunities for young people in foreign service, especially in the Central American countries was the statement made Tuesday by Paul Becker in a talk before the Campbell Kiwanis Club. Becker, former superintendent at the Campbell Union Grammar School, is head of an American School at San Salvador, Republic of El Salvador. He said the diplomatic field, commerce and educational fields offer good opportunities for well trained personnel.

Program chairman was Bud Levenberg. Service pins were given to Henry Jewell for eight years of continuous attendance and to James Arends for seven years.

President Ethan Lanphear appointed Herb Shadle and Dr. Howard Manson as representatives to the general committee for Old Settlers Day now being organized by the Chamber of Commerce.

Roy Cureton one of the outstanding athletes at Campbell High school was guest of the club, introduced by Bill Means.

Student Council Election Friday At High School

Interest is keen at the high school on the outcome of the presidency of student council, with Pat Means and Roy Cureton as the finalists.

Candidates for the council in the election tomorrow include Rhonda Benson, Russ Cahill, Glen Cureton, Fred Esparza, Tony LoBue and Roger Lukehart.

Cpl. Lewis Spends Leave In Tokyo

Cpl. Jerry Lewis, 21, son of Tony E. Lewis, Route 2, Campbell, Calif., recently spent a week's leave in Tokyo from his unit in Korea. Tokyo is Japan's largest metropolitan area and one of the largest cities in the world. Lewis, regularly stationed in Korea as an X-ray technician with the 21st Station Hospital, entered the Army in March 1953.

LOGUE IS AGAIN CHAIRMAN OF CAMPBELL'S PLANNING COMMISSION

Members of the Campbell Planning Commission declined to take a stand last Thursday to influence action of the Board of Supervisors regarding application for establishment of a commercial section for LaScola market on the Los Gatos-San Jose highway between Dry Creek Road and Apricot avenue. GRANGE FETES JUDGE EMERY FOR SERVICES

Orchard City Grange opened its first regular meeting of the year Tuesday evening with all newly installed officers being escorted to their stations in a new drill.

Prior to the opening, Josephine Biller, lecturer, presented a speaker and asked the new Master, Herbert Shadle to introduce Paul Becker, a teacher here on vacation from El Salvador. In El Salvador Becker conducts a bilingual (Spanish and English) school for about 350 students from kindergarten through tenth grade which is subsidized by the United States. He showed branches with beans of the coffee bush or tree and said only high altitude coffee is grown there. Becker also said El Salvador is a class country, with just two classes; rich and poor. The rich are rich and the poor just exist.

Retiring Master A. J. Emery was escorted to the master station where he was presented a past-masters pin by Master Herbert Shadle who commented on the vast amount of good work which Emery did as master of Orchard City Grange. Judge Emery then thanked the officers and members for their cooperation.

Mrs. Sadie Proctor, new Home Economics chairman and Ed Thomas, visiting Master of the Mt. Hamilton Grange were conducted to the master's station. Mrs. Proctor said a meeting is scheduled tomorrow at the home of Mrs. Skillman and that the H. E. C. Pomona meeting is to be January 24 on White Road.

Harry Barnes, Cakf, State Executive member said G. O. B. is getting along nicely and George Sehlmeier, State Master is pleased with progress in membership program. Barnes said the student loan fund will have to be enlarged, pointing out that in more than 30 years there has been no instance in which money loaned to students was not repaid at their convenience.

Sarah Blue, secretary and retiring treasurer Henry Anet made reports. Letters were read regarding Butano forest and progress toward it becoming a state park.

John Gordon, district deputy announced the G. B. O. and credit union meeting is to be January 26 at Coyote Grange 6:30 potluck, also that officers meeting of the County at Pala school, San Jose, January 29, preceded by 6:30 dinner and Pomona Grange meeting February 5 at Cupertino Grange.

Refreshments were served at the meet here by Mrs. Gordon, Mr. and Mrs. Joe Brown, and Mr. and Mrs. Fred Bentley.

Cambrian Fire Station Observes 7th Anniversary

Cambrian Fire Station held its annual potluck dinner Monday evening with spaghetti as the main course, while the guests brought other hot dishes, salads, and cake. The Cambrian Men's Club supplied the birthday cake and coffee.

Fifty firemen and guests from Cambrian School and the Men's Club attended. Monte Estabrook presided over the meeting, introducing Ed Levin, County Supervisor; Henry Lingua, chief; and Fred Luhring, assistant chief. After these men gave brief talks, Estabrook introduced the Men's Club President, Arch Kennedy, and the Committee who worked on this dinner, including Charles Mitchell, Wayne Huff, Guy Gibbs, Al Bacon, Fred Weltz, Art Cole, and Ed Carman.

Delos M. Bagby, Superintendent of the Cambrian School District, was unable to attend because of illness, so was represented by Leslie E. Norberg, principal of Steindorf School.

The evening was concluded with the showing of pictures by Allen Weltz, including an Abbott and Costello comedy, two Mickey Rooney comedies, and an educational picture, "Seashore Oddities".

County Supervisor, the planners indicated they would look into the application if it is resubmitted to the County Planning Commission.

"We do not wish to be a party to an application such as this before the County board has had an opportunity to act", Hollis Logue, commission chairman said at the meeting.

Logue was re-elected chairman, Ted Solari as vice-chairman and Homer Hyde as secretary as the commission was re-organized Thursday.

Plans for a 4-unit apartment on Kuehnis Drive were referred to Chairman Logue for study and report.

An application from Ralph Weaver to erect a pair of duplexes in Hamilton Square at Leigh avenue by making four lots out of five was approved, but only after the zoning status was certified. With but five of the seven member board present, the first vote was 4-1. Nestor Barrett, planning consultant said the vote lost since a two-third majority of qualified voters was needed, meaning five out of seven. Hyde changed his negative vote when it was shown the area was zoned R-2.

Zoning application of Security Enterprises was approved.

Hearings were set for February on a zoning application of E. A. Garrison and Ralph J. Fryer.

Nestor Barrett said he would have a resolution ready for hearing February 3, purpose of which will be to permit the city clerk to set hearing date when zoning applications are properly filed and fees paid.

Henry Frank inquired if property now used as a poultry hatchery might be converted over for light industry off Winchester Road between Cherry Lane and Rincon, and received a negative reply.

HILL INTRODUCES SOME OF CAMDEN SCHOOL FACULTY

Last Thursday and Friday nights the Freshmen at the high school sponsored a reception for their parents. On Thursday night the Campbell High Class of 1953 entertained their parents, and on Friday night the new Camden High School Class of 1953 were introduced to a nucleus of what will be their faculty.

Superintendent Hill described the building plans and formally introduced Mrs. Ruth Owen, who will be Camden High's Dean of Girls. Mrs. Owen is now Dean of Girls at Campbell. Phil Maxfield will be Camden's Dean of Boys; at present he is a freshman English teacher and an assistant to Dean Chamberlin. Junior Morgan will coach the new Cougar football squads, and Chuck Crampton is to coach the new purple and gold basketball fives. Muriel Carson, for years librarian at the old school, will also move to Camden.

Hill spoke of the fine work new principal Dean Chamberlin has already done to give the new school a firm foundation.

Superintendent Hill described the Camden cafeteria, which will be equally large and suitable for public gatherings as is the girls' gymnasium at Campbell High. It will have a stage at one end and be useful as an auditorium as well as cafeteria.

"We feel confident that the school will be an attractive addition to its community if not a monument or showplace," Hill continued. "Camden High School will have a homey appearance rather than an institutional atmosphere. We are not spending money lavishly but we are spending it well."

New Principal, Dean Chamberlin, spoke on "Our Freshmen." He told how proud he was of the ninth graders, and gave his own philosophy of education. "I believe that a friendly spirit must be our foundation. We can never become too busy or too big for friendship."

After the brief talks parents were given an opportunity to meet the freshman teachers. Refreshments and entertainment were served by the freshman students themselves.

Postal savings service opened in 48 offices in 1911.

EDITORIAL

THE STUDENTS TAKE OVER

Campbell has an unique and effective way for handling its March of Dimes campaign. The student body of the High School takes charge and becomes keenly alert to its responsibility.

The campaign now under way is headed by Judy Keech, an honor student who is a member of the student council. The school paper, Campus Echo, this week comments that the "student body fully realizes the responsibilities and supports the drive 100 per cent, appreciating the tremendous aid given to one of our own students, Dolores Gomes, by the Polio Foundation.

"Dolores was stricken with polio just before her senior year and, because of the aid she received, her life was saved."

The campaign was handled last year at this time by the Campbell High student body.

As of last November 27, more than 4,000 new victims of polio were listed in this State. That was an increase of almost 600 over the same 11-month period in 1953. In the United States as a whole, nearly 40,000 new cases were reported—this third highest year of incidence in the Nation's history. That means that California reported one-tenth of the country's new cases!

Now the time has come again when all of us can do something about polio. The March of Dimes is on.

The Nation-wide goal is \$64 million. Of this, \$9 million will go to buy the vaccine that may prove to be the great, final answer to one of man's worst scourges. The National Foundation for Infantile Paralysis admits that it is a \$9 million gamble, as results of the vaccine tests now being conducted will not be known before April. But it is a merciful and a justified gamble. If, as is confidently expected, the Salk vaccine proves its worth, the \$9 million will provide enough of the precious preventative for 9 million children.

In these days of the dehydrated dollar, it is inspiring to know that our dimes can do so much.

A DISSERVICE TO THE CITIZENS

The winding, snarled-up annexation paths being taken by the city officials of San Jose could well be their undoing. We, of course, are not in possession of all the facts as to the desirability of such ill-advised moves, but it does seem that the city fathers of San Jose might be doing the citizens they represent a very considerable disservice in taking these steps.

For example, would you like to be in charge of the San Jose fire department, and have to contend with the ill-defined borders in planning your organization and in the actual going to fires? Or the police department? Or any one of the multitude of services which must be provided the citizens of a good-sized city—and paid for by them? The more confused the boundaries of our neighboring metropolis become, the more expensive it must be to provide these services to its citizenry. We can see no other conclusion.

The citizens of San Jose should get up in arms and stop this mockery of orderly city development.

A LAUREL FOR THE LADIES

The much-maligned woman driver has been given a reprieve and a handsome compliment. California women, of course, get the lowest bow.

The second largest auto insurance underwriter in the country has just announced a 40 per cent reduction in the price of auto liability insurance offered to women drivers in California under the age of 25. For New Yorkers, the cut will be 35 per cent. Other states will receive similar benefits.

Insurance companies don't cut rates just out of courtesy. They do it when the facts warrant. According to this company, its statistics show that young women drivers have fewer accidents than young men, and therefore deserve a lower rate. The reduction is substantial, dollar-wise. For example, a San Franciscan with a daughter under 25 who drives his car, now can get his liability insurance for \$58.60, instead of the previous \$97.60.

From now on, boys, we'd better smile when we say "Woman driver!"

PRINTING WEEK

Ben Franklin was a versatile fellow who seemed to have mastered a lot of things in the founding days of this nation. He was an economist, a diplomat, a statesman, a scientist, a humorist and a printer. Every school child knows that Franklin discovered electricity, signed the Declaration of Independence, got French aid during the Revolution, started the Saturday Evening Post, and wrote Poor Richard's Almanac.

But Franklin identified himself all through life, by signing his name and occupation as Ben Franklin, printer. Next Monday is the anniversary of his birth; so "Printing Week" is to be observed.

Printing service is a very important vocation. In terms of payrolls, it is third highest in the entire state of California at this time. Printing is in evidence whether as a newspaper, magazine, handbill, letterhead, check or credit card.

A lot of people think that television and radio are going to make printing obsolete, at least in the field of communications, but this is far from true. The impressions of TV and radio are for the moment and not for the record.

The idea of printing week is good. It encourages us to understand what a debt is due the art of printing. Without the free printing press, our democracy

JUST LIKE The absent-minded professor, Ed. Merrill our city treasurer, opened the door to his garage the other day while all dressed up for a trip to the city and found the car gone, so he went immediately to the police department and reported the theft but no one was alarmed as they told him he left it several days ago at the church a few feet away from the city hall and that it was still there, so with a big beam he thanked them all... and some twenty years ago I did the same thing at Red Bluff only I left my Ford down by the depot, found my garage empty about a week later, reported the theft to the sheriff who only let out a wild guffaw and slapped his leg, saying he wondered how long it was going to be before I missed the car which he said I had left a week ago down to the depot about ten

feet from the tracks where the Shasta Limited sped by twice a day.

LETTERS TO THE EDITOR

Editor Campbell Press

Everyone of us in the First Air Delivery Company, U. S. Marine Corps Reserve would like to extend our thanks to all the generous residents of the Campbell area who contributed Christmas gifts for less fortunate children through "Toys for Tots".

We would like to assure them through the Campbell Press, that we appreciate their help—and to report that the children involved had a most happy holiday because of their gifts.

We would also like to thank the Campbell Volunteer Fire Department for the invaluable assistance given "Toys for Tots" The help of this public-spirited community organization is most appreciated.

The experience, for us, was most satisfying, and we look forward to working with our friends and neighbors in other projects for the good of the community.

Important Novels To Be Studied At Evening School

More courses are being added to the adult Education program for the Winter quarter at Campbell High School. A study of Important Novels is a two hour course on Tuesday evenings with Mr. Sherman in charge. A writers' workshop is being setup for Thursday evenings also under Mr. Sherman in which the writing of articles and verse with helpful criticism is featured.

Novels studied in the course include Hardy's "Tess of the Durbervilles", Dreiser's "Sister Carrie", Crane's "Red Badge of Courage", Hemingway's "A Farewell to Arms" and Fitzgerald's "This Side of Paradise".

A course in beginning typing is on Tuesday evenings. Barbara Winston Blackmun has a class 7 to 10 Tuesday evenings on Introduction to Art.

LETTERS TO THE EDITOR

Opinions expressed in this department do not necessarily reflect the editorial policy of this newspaper.

Editor, Campbell Press:

Cambrian Park is nearly surrounded.

"To secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed."

A government near the Cambrian-Union area is about to exert unjust powers without the consent of the governed.

The American right of self-determination is being seriously ignored, right here on our own doorstep.

A group of dictators sitting in San Jose have decided that Cambrian Park, Kings Acres, Mirasou Park, Mablum and Camden Gardens belong in San Jose.

These people are quietly cutting off this entire area completely from either Los Gatos or Campbell.

Monday night they slid over to National Avenue, along the Los Gatos-Almaden road. Another annexation for our new high school will extend along Camden to the highway. All that remains is the annexation of orchards between Camden and National.

I would advise anyone living in the almost encircled area to express themselves forcefully and immediately to W. J. King of Kings Acres or to Mr. and Mrs. H. J. Mirasou, 14875 Union Avenue, plus any landowners on the highway between Camden and National.

I would also be happy to have anyone opposed write to me at 15010 Blossom Hill Road, Rt. 5, Los Gatos.

No dictators could have done a neater job of ruthlessly deciding the fate of those entirely outside their control.

Polls and other expressions of feelings in this area have been completely disregarded.

Having surrounded the area, they will say,

"See, it's inevitable."

Inevitable—I hate the word, too often used, when arguments fail, to sound convincing.

Apparently the small American home-owner has no right to say in which community he shall live.

Where a person lives shall seemingly be decided by the all-wise San Jose City Manager A. P. Hamann and the San Jose Planners.

It's like having some outsider tell you to marry such-and-such a person. That you don't like the person and want to have nothing

to do with him or her doesn't concern those who "know best."

And annexations is a lot more permanent than marriages!

You don't believe San Jose has it all planned?

On the wall of the city council chamber, a map shows a blue line surrounding a "southwestern service area." It includes a large territory over to the highway, down National, and clear to the eventual Junipero Serra Boulevard, and many, many people who have already stated that they do not wish to be part of San Jose.

One of the San Jose Planners said they were not concerned over Campbell, because Campbell would "eventually fold up and become a part of San Jose."

Two San Jose councilmen asked when this big service area had been decided upon definitely. They remembered a discussion, but no decision. Hamann did not answer.

Moore, Foley, and Santora are the councilmen who raise the question that San Jose may be extending itself farther than it ought to go, but they are over-ridden.

Just what will San Jose provide this new annexation?

Fire protection? No. Central Fire District.

Schools? No. Union District and Campbell High.

Storm sewers? Nothing whatsoever. That is why the county forbade subdividing. Perhaps they will hook up illegally to the sanitary sewers.

Sanitation? No. Sanitation District No. 4.

Streets. San Jose is, it admits, years behind on its streets.

Recreation? In Willow Glen perhaps. We already have an excellent recreation program set up by elementary schools and Campbell Union High School.

Library? On Minnesota Avenue in Willow Glen, instead of the County Bookmobile which stops twice in Cambrian Union and twice in Blossom Hill Manor.

Police? Ahhh, there we are. Let's hope San Jose can protect the Camden High we are paying for better than they can protect their own schools.

Taxes? YES.

Oddly enough, one of San Jose's chief planners, Pearce Davies, does not live in San Jose, but in Los Gatos.

Why can't he let Cambrian Park and the rest be where they want to be? Would he like to wake up surrounded by Santa Cruz?...

Hamann has announced that San Jose would observe boundaries set by Los Gatos, but Monday night he suavely stated, quite falsely, that the Los Gatos annexation to National Avenue was Los Gatos' answer!

Quito Plans For Youth Center Are Told Last Night

Tentative plans were made last night for developing a youth and community center in the Quito area when a meeting was held in El Quito Park school to consider offer of land for this purpose by Ernie Renzel, Jr. and Werner Stern. The site is on Cox Avenue near the Quito shopping center.

The meeting last night was presided over by Oliver Upton. Upton said the committee hopes to go ahead with plans so that soon the area will have its own youth center.

Mrs. Don Johnson New President Of Sequoia Club

A new slate of officers was elected by the Sequoia Sewing Club of Netops Council No. 247 when members held their last meeting in the home of Mrs. D. A. Gutierrez. New officers for the ensuing year are Mrs. Don Johnson, president; Mrs. Walter Lamb, vice president; Mrs. John Morris, secretary; Mrs. Luther Enyart, treasurer. Formal installation will take place in February when the club has its annual Chinese dinner. Following the close of the meeting games were played and refreshments served.

Attending the session were Mesdames Don Johnson, George Reynolds, Stan Rohde, Jess Peters, Forrest Chapman, Mallie Dorsett, Alfred Hallor, Bernadette Hunt, C. A. Cole, Vervie Cleveland, Helen Ball, Luther Enyart, John Morris, Walter Lamb, Ray Gilpatrick and the club's guest, Mrs. Mary Amstutz and Mrs. Mary Black.

Girl Scouts Net \$275 In Sale

The calendar sale of Cloverleaf District Girl Scouts netted over \$275 for the benefit of Camp Skylark, reports Mrs. Henry Stoner, chairman of the sale. Most of the money from this district, which includes Campbell area schools, has been turned in, due to the co-operative work of the girls and their leaders.

During the holidays Girl Scouts participated in carol singing, gift-making and collecting Toys for Tots. Troop 85 held an indoor wienie roast at the home of Mrs. Homer Hyde, planning their supper which was followed by a program of songs, games and folk dances.

Members of the troop are Joyce Austin, Sandra Barret, Luella Beeson, Judy Lee Clever, Karen Cook, Kathleen Hyde, Sally Lavette, Jean Thul, Polly Holmes and Janet Adams. The leaders are Mrs. Donald Austin and Mrs. Bernard Barret.

EXHIBIT THIS WEEK IN THE CAMPBELL HIGH LIBRARY

The Campbell High School Library bookshelves are decorated with prize winning prints from the National High School Photographic Contest. From all parts of the country several thousand boys and girls submitted photographs to the Eighth Annual National High School Photographic Awards. The jury of three selected some sixty prints for grand awards, special prizes, and honorable mentions.

The collection of fine prints is said to be a glimpse through the teen-ager's looking glass into a pictorial wonderland of personal experiences and interpretations.

This show will tell much about the young camera men and women who made the pictures. You'll recognize the work of the artist, the poet, the commentator and the reporter.

This is a well balanced show. There are fine examples of design, and many prints that show the sharp, quickly observant eye of the reporter outdistancing purely artistic merit. The picture reporter and the camera commentator are notably present with prints that have caught fleeting and revealing split seconds of life.

There's "Cute Talk" showing boy and girl sprawled over the handle bars of a motor bike in a happy casual conversation. And there is an action shot called "Happy Days", a little girl caught in the dizzy ecstasy of a swing in the hammock.

Another little girl in "Soft and Summer" is tenderly absorbed by the wonderful softness of her first pet kitten. Of course, there are humorous comment, too, as in "Stars and Stripes Forever", a shot of the balloon-cheeked fat boy who plays the tuba in the high school band.

ANOTHER CUTTING COUPLE OBSERVES GOLDEN WEDDING

Marie Combs Is Installed By G.O.P. Women

Mrs. Marie Combs was installed president of the Campbell Republican Women's Club at the January 5th meeting which was held at the home of Mrs. Ralph Hyde on Alice Way. The main business of the meeting was installation of new officers. Other officers seated for the ensuing year are Hancie Naylor, vice president; LaVerne Whistler, corresponding secretary; Aline Day, recording secretary; Myrtle Hallett, treasurer; Katherine H. Shadle, historian.

President Combs, in her acceptance speech, commended Past-President LaVerne Whistler on her fine work during the past year, and also urged each club member to bring in one new member during 1955.

The guest speaker was Ernest Renzel, chairman of the United Republican Finance Committee, who acquainted the group on the disbursement of campaign funds.

Garden Club To Hear Judge Walsh

Judge Martin S. Walsh will be guest speaker at the Campbell Garden Club which will meet January 19 at 2:00 p. m. in the Country Women's club house. Judge Walsh will describe the trip he and Mrs. Walsh made during the past summer and illustrate his talk with colored slides. The trip covered 21 states of the Union, four Canadian provinces, and Nassau in the Bahamas, so the meeting promises to be interesting.

Mrs. Robert M. Dunn will conduct the business meeting which includes a number of business matters on the agenda, so all members are urged to be present. Program chairman is Mrs. A. F. Leal.

Mr. and Mrs. T. A. Cutting celebrated their Golden Wedding at the home of their son, Dr. Windsor Cutting on Arastradero road, Los Altos, last Sunday. Approximately forty relatives of the immediate family from various parts of the state were present to congratulate the happy couple. T. A. Cutting, a graduate of Stanford, and Mrs. Cutting, a graduate of Mills College and Lane Hospital, were married shortly after their graduation fifty years ago. Two of Mr. Cutting's brothers, Frank and Carl, also celebrated their Golden Wedding anniversaries in Campbell recently.

Mrs. Cutting's father, Dr. Cooper, whom all old timers well remember, came with his family to Campbell in 1890. Mr. Cutting's father, an Iowa farmer and legislator, brought his family to Campbell in 1893.

Six years ago the Cuttings moved from Campbell to Arastradero road, near Los Altos, to be near their elder son, his wife and grandchildren. So now they are back near Stanford where their romance began fifty years ago.

While here Mrs. Cutting was a faithful member of the Congregational Church, a Sunday school teacher and coach of religious plays. She also served as deaconess for many years.

Cutting taught school for thirty years, the last twenty in the Los Gatos and Campbell High Schools. Both their sons are doctors, Windsor now Dean of the Stanford Medical School, and Cecil, director of the Kaiser Foundation Hospitals in the East Bay.

In Campbell at various times Mrs. Cutting was an early president of the Campbell Kiwanis Club, president of the Chamber of Commerce and Community Chest, and trustee of the Congregational Church. He was often referred to as the Historian of Campbell and on a few occasions was chairman of Old Settlers Day.

After retirement Cutting took out numerous patents, most of them on improved spectroscopes. He wrote several books on electricity and spectroscopy, also a family genealogy. Making and selling spectroscopes and books has kept the couple busy ever since.

Army Pianist At Montalvo Sunday

The brilliant young concert pianist, Pfc. Donald Dollarhide of Fort Ord will give a recital at Villa Montalvo on Sunday, January 16, at 3:00 P. M.

Mr. Dollarhide recently gave a concert in Monterey under the auspices of the Musical Art Club and the Commissioned Officers Mess. The Monterey Herald in reviewing the program said: "Un-

questionably he is headed for a career... Technically he is a near marvel... Performed a program that would have been favorably received anywhere. One is impressed by his musicianship, his vitality and the exuberance of youth, and the mellow tone quality. He is soon to leave for New York to appear on television, and later is scheduled for study in Europe."

Dollarhide was graduated from the College of the Pacific at Stockton.

A social hour and tea will follow the concert program and guests will be able to meet Mr. Dollarhide and Miss Betty Guy whose exhibition of water colors is on display in the gallery.

Miss Guy has recently returned from an eighteen months' tour of Europe during which she visited sixteen countries, painting the

fascinating scenes as she traveled.

Tea will be served at 4:00 P. M. Miss Alberta Edell, the committee chairman, will have as her assistant hostesses Mrs. Ernest G. Lawson, Mrs. R. P. MacCullough, Mrs. A. A. Payette, Mrs. W. Stewart Thompson, Mrs. Allerton Grannatt and Mrs. Robert Swanson. Mrs. Gordon Ainsley and Mrs. Percy Hincks will pour tea.

CHRISTIAN SCIENCE

How spiritual understanding of God as divine Life opens the door to healthier, happier living will be set forth in the Lesson-Sermon entitled "Life" at Christian Science services Sunday.

Selections to be read from the King James Version of the Bible will include the following from Psalms (66: 8, 9): "O bless our God, ye people, and make the voice of his praise to be heard: Which holdeth our soul in life, and suffereth not our feet to be moved."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selection will be among those read (487:27): "The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality."

The Golden Text is from John (17:3): "This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent."

Death Claims Mr Pearl Goertz

Mr. Pearl Goertz, a retired Railroad man, died January 6 in a local hospital following a long illness. In recent years he had made his home with his daughter, Mrs. Lillian A. Strong of 981 Emerald Way. He was a native of Kansas and 74 years of age.

He was the father of Harold Goertz, Viola Vidano, Robert E. Goertz all of Campbell, Lillian A. Strong of San Jose, and brother of Nina Harr and Gladys Zimmerman of Kansas. He leaves five grandchildren and two great grandchildren.

Services were held Monday at the Darling, Fischer and Krug Memorial Chapel. Interment was in Santa Clara City Cemetery.

John McFall Passes Away

Services were conducted Wednesday at Darling, Fischer and Krug Memorial Chapel for John A. McFall, 76, who passed away Monday at his Campbell home at 42 Railroad Avenue. He was a retired farmer and long time resident of Campbell, having lived here twenty-four years. A native of Tennessee.

McFall is survived by his widow, Jonnie, and four children, Mina Whitlock and Harold McFall of Campbell, J. A. McFall of South San Francisco, Ronald McFall of Arcata, and ten grandchildren.

Interment was in Santa Clara Cemetery.

He was the father of Ted Wachermann of Campbell, Bertha Hoadley of Nevada, Adele Rose and Arlene Costa both of Campbell. He leaves one grandchild and one great grandchild.

Interment will be in Los Gatos Cemetery.

McKinnon Missed Three Supervisor Meets In 18 Years

Supervisors Joseph McKinnon and Arthur Brown were absent from the meeting of the county board on Monday because of illnesses. McKinnon was in O'Connor Hospital following an emergency operation Friday night for a ruptured stomach ulcer. It was only the third time in 28 years McKinnon had missed a meeting.

Supervisor Brown of Gilroy was abed with a virus infection.

County engineer Leonard Bushnell was directed to proceed with final plans for a flood control diversion channel linking Ross creek and Guadalupe creek as previously recommended.

Bushnell was also directed to study a request from the Santa Cruz mountain community council that a survey of roads in the Lexington dam area be undertaken at once.

Building Permits For More Homes

A building permit was issued Frank Dahlberg for a \$10,000 home on Virginia Avenue in Campbell, to E. Conentino for \$500 alteration to a business building on the San Jose-Los Gatos Road in Campbell and to Betty Grimes for \$400 in alterations to two dwellings on East Rincon avenue.

Campbell Has A New Church

The First Christian Church of Campbell came into being last Sunday afternoon at a service in the Country Womens Club in which Elbert W. Womack, Minister told of a long range program of calling and building. Temporarily the services will be continued in the Country Womens Club in the afternoon, with Sunday School at 2:15 and Worship Service at 3:30. The minister was graduated from the San Jose Bible College. He formerly was minister of the Burbank Church of Christ.

Working with the new church is a group of Bible and State College trained personnel who help in the organizational work and in classroom instruction.

"Our plea," says Mr. Womack, "is simple and workable. We want no creed but Christ, no doctrine but the Bible, thus standing for and by the power of our Lord, free from the shackles of human traditionalism. The standards of our fellowship shall be commensurate with and parallel to the scriptural standards of salvation. In no case do we intend to pass our judgment upon an innovation or strive to make it a test of fellowship. I pray that we shall never be guilty of the sin of proclaiming that we are the only Christians in Campbell but rather we desire to be Christians only in Campbell."

Those who desire New Testament planned Christianity and wish to help uphold those standards in Campbell are urged to contact Mr. Elbert W. Womack, Minister of the First Christian Church of Campbell. Phone FR 8-7333.

Directors Named By First National Bank Of San Jose

The Shareholders of The First National Bank of San Jose, at their 81st annual meeting held this afternoon, received the annual report of President Joseph Rogers, which indicated the greatest growth during 1954 since the Bank's establishment in 1874. For the second consecutive year the capital stock was increased by \$250,000 and the Bank established three new offices: Los Gatos, Palo Alto and Mountain View. The total deposits are now over \$62,248,000 and total resources over \$66,537,000.

J. Bradley Clayton was, for the seventh time, elected Chairman of the Board. Other Directors re-elected to complete the fifteen-member Board were: Albert W. Beall, R. I. Bentley, N. T. Bradford, Jr., James B. Clayton, Jr., W. S. Clayton, Jr., A. D. Curtner, W. L. Holmes, William F. James, Charles B. Kuhn, W. C. Losse, Duncan Oneal, Frazier O. Reed, Joseph Rogers and Carlton H. Future Status Of Cambrian Schools Hangs In Balance

The future of the Cambrian School District depends upon the outcome of the Tax Election to be held March 10, 1955. Because the passage of this tax election is so vitally important to every member of this community, Room Mothers and other interested parents of the Cambrian Elementary School District met Friday morning at the Youth Center to discuss and map plans for an all-out effort to secure 100% eligible registration in the school district by January 15.

A letter was drafted by the committee asking all parents, who are eligible to do so, to register by January 15. The letters were distributed to all Cambrian students Monday and were to be returned to the school not later than Wednesday to allow the Room Mothers time to contact those parents not registered.

Requirements for registration are as follows: You must have lived in the State for ONE YEAR and in the County of Santa Clara for 90 DAYS. If you missed voting at the last primary and general election, or if you changed your address since your last registration, you must re-register. By registering before January 15th, you will fulfill the 54 days before election requirement. If you are eligible to register, you may do so at either the Cambrian Fire House, located on Casey Road across from the school; or at Daugherty's Drug Store located on Union Avenue.

If you need transportation or a baby sitter in order to register, call Franklin 8-3867, and either or both will be provided.

The present tax limit of 90c has been in effect since 1927. The election is for the purpose of increasing the rate to \$1.50 to provide solely for maintenance and operation of the Cambrian and new Steindorf Schools as well as two more schools planned for the future in this rapidly growing residential community.

Cambrian now has 1,311 students enrolled, with double sessions in most of the grades a necessity. Each week brings additional students to swell the roll. Last June total registration of students was 950, September it had increased to 1188, October 1257, December 1303, and on last count Monday 1311, which makes it necessary to hold two classes in the auditorium and

Class Of '55 Presents Mystery

For the first time at Campbell, the Senior Play will be a mystery. In the past, comedies have been successfully done, but the Class of '55 have decided to present as their Senior Play, the spine-chilling Mystery-Comedy, DRUMS OF DEATH.

The ghosts, monsters, hooded figures, and the ever throbbing death-drums set the pace of this hilarious mystery-comedy which will be the greatest ever to come off the Campbell High stage.

The plot concerns a strange group of people who have been called to a half-ruined mansion, to find out too late that the telegram was false, and that they are stuck in this mystery house. The plot develops rapidly with the appearance of a half-crazy housekeeper, and the horrifying death cabinet.

The books will arrive at the end of this week, and will be at the disposal of the seniors who wish to try out. Tryouts will be held for three days, January 18, 19, and 20. Mr. Wallace will announce the cast on January 24, and give a dinner for them on the 26th of January. The follow day is the beginning of rehearsals for the great Class of '55 Senior Play, and will last until the fateful days of March 17 and 18, the dates for the presentation of DRUMS OF DEATH.

Mr. Wallace and the Drama Department expect the largest turnout on these days, as no one will want to miss this terrific first. So be sure to mark these days on your calendar! !

Senior Girls Look For Homemaker Of Tomorrow

Excitement which has been mounting the past few months in the 5th period of Mrs. Adele Charlson's Homemaking class reached its climax yesterday when sixteen senior girls of Campbell High School enrolled in the "Betty Crocker search for the American Homemaker of Tomorrow" took a written examination testing their aptitude for the career that awaits nearly all of them—Homemaking. According to Mrs. Charlson, Head of the Homemaking Department the examination has been received wholeheartedly by the senior class which is called "Home Management".

Simultaneously, senior girls in 8,090 participating High Schools throughout the United States took the fifty minute test which will be the basis for selecting the Homemaker of Tomorrow in each School, State and, finally on April 21, the nation. The examination, prepared by Science Research Associates of Chicago, consisted of multiple choice and subjective questions to test the students' attitude and knowledge in such areas of homemaking as family relationship, spiritual values, child care, health, safety, conservation of resources, money management, recreation, home beautification, community participation and continuing education.

A criteria chart which evaluates these factors in home and family living has been used in classroom discussions to prepare students for the examination. After each girl finished the test, she received a 24-page homemaking guide which will assist her in pursuing her future career.

The girl receiving the highest score in each school will be entered in State competition where the winner will receive a \$1,500 scholarship and a trip with her school advisor to Washington, D. C., Colonial Williamsburg, Virginia, and Philadelphia. Her school will receive a set of Encyclopedia Britannica. The State Winner who is selected in Philadelphia April 21, will receive a \$5,000 scholarship.

Scholarships totalling \$75,000, travel opportunities and other educational prizes are being offered by General Mills, sponsor of this search designed to assist the schools in building in young women a deeper appreciation and

Quito To Hear School Doctor

"Immunization Program" will be the subject of a talk to be given by Dr. Lydia Verbarq, Campbell district school doctor, at the January 18th meeting of the Quito P. T. A. at 2:00 p. m. in the school multi-use room. She will be assisted by Mrs. Louis Karpen, Quito school nurse. The meeting will be conducted by Mrs. Rosselle Faust, new president of the Association.

Entertainment will be provided by the intermediate grades, 3, 4, 5, 6, who will demonstrate creative activities with original skits, poems and a puppet show. Child care will be provided and refreshments served at the close of the meeting.

It was announced that the County T. B. trailer will be stationed at the Quito Shopping Center from 10:00 a. m. to 6:00 p. m. on January 18. Anyone desiring free chest examinations should be there between those hours.

understanding of the American home and the personal qualities necessary to successful homemaking.

In an interview Mrs. Charlson stated the future of Homemaking is not a crowded field. In the teaching profession, California graduates were able to fill only 20% of the positions open, which made it necessary to import teachers for the remaining positions, some of which are still open.

Senior girls of Campbell High School who participated in the search for the homemaker of tomorrow were Alda Pimentel, Mary Parysek, Runore Smith, Linda Le-grande, Nancy Richard, Diane Aiello, Betty Baldrige, Carole Foster, Ruthie Phillips, Rolene Eichman, Lorraine Grant, Russel-lene Haggard, Ellen Nunamaker, Jo Buccellato, Masako Kawauchi, Ann Caraselli.

Of the sixteen senior girls taking the examination, fourteen are enrolled in the Home Management class with the remaining two being members of the future Homemakers of America.

IN CAMPBELL'S KITCHENS

Mrs. R. P. Gardner of 2970 Neal Avenue has given us a recipe for a good one-dish meal which is one of her favorites because it can be made up the day before, and a dessert that has everything. It is cheap, fancy, fool proof and also may be made the day before.

TAGLARINI

1 large pkg. noodles or less
2 medium onions
1 1/2 lb. ground meat
1/2 bell pepper
salt and pepper
pitted olives
grated cheddar cheese
1 can corn
garlic to taste
2 small cans tomato sauce
1 can mushrooms
chili powder to taste
whole olives
oregano and thyme may be added

Boil noodles, drain, add corn. Brown the onions, garlic and meat. Add tomato sauce, bell pepper, mushroom and juice, and the seasonings. Add this to the noodles and corn; add pitted olives. Put in large baking dish; top with whole olives and grated cheese. Bake at 350 degrees one half hour or until heated.

FROZEN LEMON PIE

3 egg yolks, slightly beaten
1/2 cup sugar
1 tsp. grated lemon rind
3 tablespoons lemon juice.
12 to 14 vanilla wafers crumbled

3 egg whites
3 tablespoons sugar
3/4 cup chilled evaporated milk
Combine egg yolks, 1/2 cup sugar, lemon rind and juice. Cook 2 or 3 minutes over boiling water until it thickens, stirring constantly. Beat egg whites until stiff. Fold in 3 tablespoons sugar. Whip thoroughly chilled milk. Fold this and egg whites into cooled mixture. Line refrigerator tray with 1/2 crumbs. Pour in filling. Cover with remaining crumbs. Freeze 3 or 4 hours. Pineapple, maraschino cherries, or almost anything may be added to this mixture.

New Scout Troop In Quito District

A new Scout Troop, No. 67, has been formed in the Quito district under the sponsorship of the Quito Merchants Association. The first meeting of the troop was held Friday at the Paul Basham home on McFarland road under the leadership of Don Faust, the new scoutmaster. Other adult members of the troop are Earl Barnett, assistant cubmaster; V. P. Romer, committee chairman; with James Crawford Jr. and Robert Martindale as committee members; and Robert Rodriguez as Explorer advisor.

The six charter members of the new troop are: Robert Johnson, senior patrol leader; John Tiffany, Bob Martindale, Arthur Basham, Dennis Hann, Dwayne Hogan.

The troop is open to any boy age eleven who is interested in scouting.

Tandem Club Plans Potluck

Dr. Douglas Hayward of Hillsdale Methodist Church, San Mateo, will be guest speaker when the Tandem Club of the Methodist Church holds an evening of fellowship and inspiration Friday, January 14th. Dr. Hayward has chosen as his topic "The Christian and War". Following the address time will be allotted for questions and discussions.

Tandem members will begin their evening with a potluck supper in the church fellowship hall at 7:00 p. m. Each couple is asked to bring a hot dish, salad or dessert and their table service. Community singing and other fellowship activities will highlight the evening.

Revolutionary! A Milestone - Latest Process in Printing!

This is the first time in history that this revolutionary work has been accomplished. Just imagine 300 screen line with five colors — the only lithographed process which makes a reproduction look like an original oil painting.

The originals are painted by the world famous artist, **Oronzo Abbatecola**, Art Director the Rosicrucian Egyptian Museum and Art Gallery in San Jose.

These originals are on display during January at **RIBBLE'S CAMPBELL STATIONERY**, 200 E. Campbell Ave.

Basketball Season Is Starting

LET'S MEET THE COACH

by Bob Olson

Most successful of all Santa Clara Valley coaches for the past three basketball campaigns is Bert Robinson, court mentor for Campbell High School. His five have been league champions for the past two years. This year's quintet open their title defense tomorrow after winning seven and losing three pre-season warmup encounters.

Robinson is a modest leader. As a result, a great deal of prompting is necessary before Bert will even discuss his collection of titles.

His theme after each championship year has been: "Don't give me any credit. Credit the boys. No coach can do anything without a lot of help from the fellows and his assistant. After all, the coaches can't get out there and play themselves."

"The guy who coaches a good team to a championship is just like the one who gets into a Cadillac," Robinson maintains. "He looks good driving it."

While a Campbell High School student himself, Robinson was student body president, and an all SCVAL end in football as well as a basketball flash. His Class "D" high jump record is still listed in the secondary school record books and was set when the present coach was only a freshman; it was broken only last year by Terry Boone.

You can't help but respect your coach when he can still outplay, outrun, and outshoot you, though now twice your age. Robinson still takes to the hardwoods himself every Wednesday night. He's a forward for the McCune Citrus Five, which is another championship team and quite a haven for Valley coaches. The McCune quintet has Coaches Morgan of Campbell, Hal Sonntag of Los Gatos, Dean Gles of Santa Clara, Ed Sobzak of Willow Glen, and Ken Duddridge of Campbell, as well as Robinson on its roster.

Robinson's philosophy of coaching is as sound as is his instruction of fundamentals. He thinks of basketball as an opportunity for boys; the values and benefits of playing accrue to the participants; they're not doing the school a big favor by playing. He believes that all must give their utmost in an all-out effort to win, but, at the same time, he believes that winning and losing mere games must be kept in its proper place relative to the other important activities of their lives. Underlying all his beliefs, Robinson is certain that how much any squad learns and improves depends greatly on how much effort and self-direction they as individuals wish to put out.

Bert is a graduate of San Jose State College and a good friend of their basketball coach, Walt McPherson. A veteran of World War II, he chose his wife Sidney from another college campus, College of Pacific at Stockton. And so competing with sports for his time is his family which includes seven year old Dave and three year old Kathleen. "I guess you might say that I have one future athlete and

one cheerleader," Robinson quipped. "As of now they still prefer Lassie to basketball over television."

Robinson is a former football coach, and while at San Jose State won letters in football and baseball as well as basketball; he was also a college boxer. As a halfback he was chosen outstanding player for State in the January, 1947, Raisin Bowl Game. His most vivid memories, however, will always return to the December he traveled to the Hawaiian Islands with State to play football against the University of Hawaii. That December happened to be in the year 1941; and so the games were never played. But the Spartan team returned with a shipload of wounded, arriving on the mainland on Christmas afternoon.

Bert shares with Coach Junior Morgan, newly appointed football coach for Camden High School, the honor of having been named to San Jose State's "Hall of Fame", meaning that this pair are on the famed list of the one hundred finest athletes that school has produced.

CAMPBELL BUCS PLAY LOS GATOS THERE TOMORROW

The varsity basketball team of Campbell High School opens the league season tomorrow evening at Los Gatos in the new Helms gymnasium, pitted against the Wildcats. This is a new gymnasium, dedicated to the memory of Douglas White Helm, coach and teacher, friend of youth from 1925 through 1953.

The teams are evenly matched. In Fuller, Erickson and Berryman, Los Gatos has high scorers, but the Bucs with superior height should keep them under control. Joe Leland, star center is lost to Los Gatos following a fall from a motorcycle.

Campbell lacks experienced players, as 16 lettermen left last year. But the Bucs look sharp on the backboards and have the aggressive spirit. Tony Schraub, Jon Harris and Phil Arman are steady and Rahn Sparrer, 6' 5" center is playing a great defensive game. Phil Arman from Arkansas is a surprise for the team, Bob Mitchell is a good ball handler for the Bucs having transferred here from Oakland, with Dick Buck from last year's B team, Dick Kolte hustling at guard and Boyd Fair up from the Junior Varsity of 1953.

The starting lineup:
LOS GATOS CAMPBELL
Fuller F Schraub
Erickson F Arman
Berryman C Sparrer
Wilson G Harris
Stryker G Lunt

Frosh Reception Classes Of '55 Held

Last Thursday and Friday evenings in the Girls' Gym, from 8:00 to 9:00, the Freshman Class Reception was held. It was divided into two nights, with the Campbell High Section coming on Thursday, and the Camden Section on Friday.

Those invited included the Freshman students of Campbell and Camden High, their parents; and the eighth grade students from Moreland, Campbell Grammar, Almaden, Burbank, Cambrian, and Union Elementary Schools, with their parents.

The reception started with a getting acquainted period; which was followed by a "Welcome" given by Freshman Class Presidents, Ronnie Wilson and Jack Crawford.

Mr. Dean Chamberlin then gave a welcome address to the guests, and Campbell High Principal, Laurence J. Hill also talked.

Some of the Freshmen who entertained were: Sharon Berryess, who danced to "Lovely Hula Hands"; Helen Orpekawski, who presented an acrobat-dance routine; A baton antics dance was given by Donna Whitaker; and Kay Morell played "Clare de Lune".

A lot of hard work went into the decoration of the gym. Bob Neely, with the help of Jim Duran and Karla Edsinger, arranged the paintings and drawings of the Freshman Class.

Mary Jo Sponsler, Roger Spicer, and Dick Houston were in charge of the clean-up part of the program.

Season Starts Tomorrow

BUCS, INDIANS, EAGLES ARE FAVORED IN SCVAL HOOP RACE

Campbell, Fremont, and Mountain View all figure to be championship contenders as the 1955 Santa Clara Valley Athletic League opens tomorrow night with three big contests. This season one team will draw a bye every week since Live Oak, long a member of the SCVAL dropped out last Spring to enter the Coast County Athletic League "B" Division, a conference more in line with Live Oak's material. Santa Clara will be idle tomorrow and next week Los Gatos will have an open night.

THIS WEEK'S BIG GAMES.

Campbell at Los Gatos
Lick at Fremont
Mt. View at Washington
Lick seems short in height but long in aggressiveness and they should give Fremont quite a tussle at Sunnyvale. Tom Hunt of the Comets looked especially promising Saturday night when Lick took a strong Monterey five 49-32 in their East San Jose Gymnasium. The Comets scored thirty-one points in a torrid second half completely overpowering Monterey after an 18-17 half.

Mountain View has looked good

Bucs Take Both Alumni Games

Led on by Harris and Phil Arman the Campbell High Varsity five won over the Campbell High Alumni 49 to 45. The game was a close one all the way to the finish. The lead changing from side to side often and no team being more than six points ahead of the other all the way.

High point honors were held by Phil Arman and Jon Harris of Campbell and Oldham of the Alumni all with 14. Second high for Campbell was Tony Schraub with 13. Second high for the Alumni was Jack Harris with 10.

B'S WIN 31 TO 21

In a well played game the Buc's Lightweight five won over the Alumni, January 7, 31 to 21. They moved into a good lead. By the end of the first quarter they lead 11 to 0. The Buc's held the lead all the way. High point man for Campbell was Roger Almqvist with 8. Jim Dahms, of the Alumni, also shared high point honors with Roger Almqvist.

Varsity

in exhibition contests this season; the Eagles seem almost unbeatable when they play at home in their own crackerbox gymnasium. But the Eagles should win even away from home tomorrow night since Washington has a five boasting little experience and no height.

Being so close to the Campbell five, it is a surprise to hear so many tabbing them "likely" to nag their third straight championship. Nevertheless we pick them to defeat Los Gatos tomorrow night, especially if they play with the aggressiveness exhibited in the two San Jose High games. The Bucs next week play the Fremont big Indians in the local gymnasium.

Telephone man gets 20-year service pin from air line. Since 1931, Pacific Telephone Switchboard Installer Jim Bailey, left, has worked on most every telephone job at United Air Lines' San Francisco office. The people there say they've become so used to Jim's good work and quick smile that they think of him as one of their group. As a result, they recently awarded him one of their 20-year employees' service pins. We believe Jim's pretty typical of all telephone installers. For your "Telephone Man" works to do the best possible job, to bring you the good low-cost service you like . . . and does it with a smile. Pacific Telephone works to make your telephone a bigger value every day.

Judy Keech Heads March Of Dimes Campaign

The student council has unanimously voted to again sponsor the March of Dimes drive for the Campbell Union High School District. This sponsorship places the students with the responsibility of all the contributions made by the merchants, service clubs, schools and other contacts for the whole area.

This is a unique decision where the student body of the high school assumes complete responsibility for this drive. The student body realizes the responsibilities and supports this drive 100% because they realize its importance and also realize the tremendous aid given to one of our own students, Dolores Gomes, by the Polio Foundation. Dolores was stricken with polio just before her senior year and because of the aid she received, her life was saved. This drive will continue all through January and students will have an opportunity to give to this very worthy cause right here at school. Judy Keech was appointed by the council to head the drive in this area. This is really a big responsibility that Judy has accepted, as she will be responsible for the whole area; not just here at school. She will need the support of all the students to make this drive a success.

St. Lucy's Club Observes 18th Anniversary

Plans for a Whist party to be given Friday evening, January 28th in the Parish School were discussed at last Thursday's meeting of St. Lucy's Women's Club. The affair is to be a "Progressive" whist party with a great variety of prizes offered.

Mrs. Joseph Souto is chairman and will be assisted by Mesdames Manuel Pimentel, John Triguero, Manuel Silva and John Serpa.

The club celebrated the eighteenth anniversary of its founding during its last meeting with a birthday cake centered on a tea table decorated to suit the occasion. Mrs. Ira Grim was first president of the Club which held its meeting at her home. Mrs. Grim and Mrs. Richard Bowen, president, were honored by being asked to pour tea for the party.

Hostesses in charge of refreshments were Mesdames Stephen Ridgely, Ralph Nelson, Ambrose Metcalf and Fred Smith.

Guide Dogs For Blind Appoint Local Chairman

Guide Dogs for the Blind announce the appointment of Mrs. Earl H. Handley as Campbell Chairman for the forthcoming membership drive in February. Mrs. Handley will announce the appointment of her local committee shortly. The purpose of the association is to assist the blind in making them independent and self-supporting.

The Earl Handleys are newcomers to Campbell having moved here from Oakland seven months ago. Since this time Mrs. Handley has become interested in the work done by the Guide Dogs Association. Mrs. Henry Frank, county chairman, states "Mrs. Handley should do an excellent job in the membership drive in Campbell as she is vitally interested in community work."

Anyone interested in working in the membership drive should contact Mrs. Handley at FR 8-7150.

Greater Benefits Without Chaos Is Goal Of Knight

By Vivian Faulkner

"The primary function of the present administration is to promote greater production with greater benefits to the people of California and to prevent this economy from going over the brink into chaos," stated Governor Goodwin J. Knight in his keynote address Tuesday before a convention of the California Federation of Republican Women held in San Jose.

In his speech the governor said he was not entirely pleased with the results of his administration so far but still has 45 months to try to accomplish some of the things he has in mind. Also some people seem to think to the victor belong the spoils. This is not so, to the victor belong the responsibilities, and to hold public office is an opportunity to push the ideals in which you believe. An honest politician does not get rich.

Women have joined the Federation because they have seen too much wickedness, stupidity and graft with beautiful ideals and principals trampled by ruthless, self-seeking men. They have no desire for personal power, only a desire to do something for their children and country.

In the past decades among burning questions concerning the people have been slavery, child labor, and senators bought and sold. People wanted domestic reform.

In 1914 all nations had capitalism as a basis for government; all but Russia! Nations with free enterprise were not concerned with the vacuum of Russia. The depression brought about a change in the ideals of people which accented and hastened this issue. Every question in the United States today revolves around the effort to promote right and left. The world is threatened with state socialism. Where there was one socialist state years ago, today there are twenty. In the United States, on being confronted with a government becoming all powerful, there are people who would sacrifice themselves for the benefit of humanity.

Communists are also dedicated to their ideals, most of them obscure, which they do not intend to have handicapped by politics. Communists believe anything goes. They will lie, cheat and steal, anything, to gain their own ends.

The socialists have found production comes only from competition. Their people, tired of poverty cried for a change. The result was dictatorships who must declare war to stay in power. Their idea of each according to his need will not work and all will suffer.

Governor Knight also stated he believes the government has no right to permit legislation against collective bargaining; that the results of production should be given to the people; and that this na-

Marvelous Chance To Get Paintings In Reproductions

Perfect lithographic reproductions of famous paintings by Oronzo Abbatecola are available to lovers of contemporary art.

ORONZO ABBATECOLA
... Art Offerings

Abbatecola, Director of the Rosicrucian Egyptian Museum and Art Gallery in San Jose has an exhibit at Ribble's Stationery Store in Campbell.

Paintings were reproduced by scientific lithography with a 300-line process, the first time done in history. Five colors are beautifully blended in such manner that the originals resemble exactly the ones produced by this new process, looking like original oils.

Italian born artist and stage designer, Abbatecola chose the Santa Clara Valley for his home about twelve years ago. He had been exhibiting oils and theatrical designs in Europe and Hollywood with great success.

In 1945 he did the settings for "Norma", "Fidelio" and "Romeo and Juliet" for the San Francisco Opera Company.

SALVATION ARMY GROUP HERE PLANS NEW SERVICE ACTIVITY

A meeting of the Campbell Salvation Army Service Committee was held at the home of LBen Howard, Chairman, on Thursday to hear the report of the Executive Committee on the work done at Christmas time and to make plans for the financing of committee work for the coming year. The Executive Committee reported that Christmas dinners were provided for three families and toys for six families. One local service club supplied needs that this committee was not able to take care of at this time. The Campbell Grammar School P. T. A. responded to a request for clothing. The Chairman reported that a check had been received from the Women's Service Club of Campbell to help in the financing of the committee's work.

Those attending the meeting were: Field Supervisor, N. L. Good, San Francisco; Field Representative of San Marin, San Mateo, and Santa Clara Counties, Miss Ann Ford; and Miss Ford's co-worker, Mrs. L. E. Gillette. Members of the local committee present were: Chairman LBen Howard; Welfare Secretary, Mrs. Evelyn Cobb; Treasurer, Mrs. Thelma Solari; Mrs. Janice Bohnett; E. M. Arends; L. E. Means; J. J. Payne; N. W. Schoenberger; and C. P. Klassen. Other members of this committee are Ira Grim, Guy Farley, Homer Hyde, Mrs. Betty Morton, and Neal Royer.

Any groups or individuals wishing to contribute to the work of this committee may contact any of the following: LBen Howard, FR 8-3586; Mrs. Evelyn Cobb, FR 8-2063; or Mrs. Thelma Solari, FR 8-4731.
